Teaching Self Reflection

Name of Participant

Date of Reflection

1. After teaching this session, reflect on a specific example from the session where you feel you did a “good” job teaching.

2. After teaching this session, reflect on a specific example from the session where you feel you did a “not so good” job teaching or where you might still improve.

3. How did participation in the summer institute impact how you taught this session? For example, did you start doing something that you had not been doing before, or did you do something better?
